

VIC-20

GOAL

FOR THE UNEXPANDED

VIC-20

GOAL GAME CASSETTE

commodore
DENIAL

INSTRUCTIONS:

Play against the computer in tournament mode, or play against a friend in a friendly match.

Outmaneuver your opponents by quickly following the arrow commands above the puck (left, right or up).

Press the appropriate key to advance toward your goal.

Goalie positions are controlled by the computer.

SPACE BAR - to start the game
ZXC (left, right or up) to control the left side team
./ (left, right or up) to control the right side team

To modify the controls, LIST line 2 of the program and change the respective letters.

Adjust team colors by pressing F1 or F3 before a match or during halftime.
